

*August 2007-2011*

**University of Saint Francis, Fort Wayne, Indiana**

*Radiologic Technology Instructor*

- Assess radiography students in clinical and classroom setting
- Develop and implement teaching methods to facilitate students classroom and clinical learning
- Evaluate students clinical and classroom performance
- Maintain appropriate records such as clinical evaluations, test scores, anecdotal and attendance on an ongoing basis to document evidence of student progress
- Participate in recruitment, admission and marketing activities for the program and university
- Advise students enrolled in the Radiologic Technology Program

*July 2007-Present*

**Parkview Hospital, Fort Wayne, Indiana**

*Radiologic Technologist*

- Staff Radiologic Technologist as needed
- Perform exams in OR, ER, fluoroscopy, outpatient and inpatient services

*June 2006- July 2007*

**University of Saint Francis, Fort Wayne, Indiana**

*Radiologic Technology Adjunct Faculty Member*

- Supervise students in the clinical setting
- Communicate student progress to Radiology faculty

*July, 2007-October, 2001*

**Parkview Hospital, Fort Wayne, Indiana**

*Diagnostic Imaging Shift Coordinator*

- Manage second shift Diagnostic Imaging Department
- Facilitate communication between staff technologists and department management
- Oversee staff schedules and time off and conduct annual staff evaluations
- Streamline second shift operational procedures

*October, 2001-July, 2000*

**Parkview Hospital, Fort Wayne, Indiana**

*Radiologic Technologist*

- Staff Radiologic Technologist
- Perform exams in OR, ER, fluoroscopy, outpatient and inpatient services
- Helped to develop Customer Service Improvement Plan

## **Professional Memberships**

American Society of Radiologic Technologists *2003-Present*

Indiana Society of Radiologic Technologists *2008-Present*

Association of Collegiate Educators in Radiologic Technology *2008-Present*

## **Teaching Responsibilities**

- 2012-2013**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 273     Radiographic Procedures III
  - ❖ RAD 275     Clinical Education IV
  - ❖ RAD 276     Pathology
  - ❖ RAD 277     Radiation Science and Quality Assurance
  - ❖ RAD 278     Clinical Education V
  - ❖ RAD 172     Clinical Education III
  - ❖ RAD 173     Radiographic Image Analysis
- 2011-2012**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 273     Radiographic Procedures III
  - ❖ RAD 275     Clinical Education IV
  - ❖ RAD 276     Pathology
  - ❖ RAD 277     Radiation Science and Quality Assurance
  - ❖ RAD 278     Clinical Education V
  - ❖ RAD 172     Clinical Education III
  - ❖ RAD 173     Radiographic Image Analysis
- 2010-2011**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 273     Radiographic Procedures III
  - ❖ RAD 275     Clinical Education IV
  - ❖ RAD 276     Pathology
  - ❖ RAD 277     Radiation Science and Quality Assurance
  - ❖ RAD 278     Clinical Education V
  - ❖ RAD 172     Clinical Education III
- 2009-2010**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 164     Fundamentals of Clinical Practice
  - ❖ RAD 273     Radiographic Procedures III
  - ❖ RAD 275     Clinical Education IV
  - ❖ RAD 276     Pathology
  - ❖ RAD 277     Radiation Science and Quality Assurance
  - ❖ RAD 278     Clinical Education V
  - ❖ RAD 172     Clinical Education III
- 2008-2009**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 166     Radiographic Procedures I
  - ❖ RAD 168     Clinical Education I
  - ❖ RAD 169     Radiographic Procedures II
  - ❖ RAD 171     Clinical Education II
  - ❖ RAD 172     Clinical Education III
- 2007-2008**     *Courses that I taught or served as Clinical Course Instructor:*
- ❖ RAD 166     Radiographic Procedures I
  - ❖ RAD 168     Clinical Education I
  - ❖ RAD 169     Radiographic Procedures II
  - ❖ RAD 171     Clinical Education II
  - ❖ RAD 172     Clinical Education III

- American Society for Radiologic Technology Leadership Academy for Educators provided an opportunity to collaborate with colleagues from around the nation on technology and brain-based leaning teaching techniques.

## **Service to the University**

- 2012-2013** Faculty Forum  
SOHS Professional Development Committee  
SOHS Simulation Lab Committee - *August Secretary, November Reflection*  
Radiologic Technology Faculty Council - *Secretary*  
Radiologic Technology Academic Advisory Committee  
Mission Integration Committee – *Ran for but not elected*
- 2011-2012** Faculty Forum-*November Reflection*  
SOHS Professional Development Committee -*Secretary*  
SOHS Simulation Lab Committee-*August Secretary, October Reflection*  
Radiologic Technology Faculty Council  
Radiologic Technology Academic Advisory Committee
- 2010-2011** Faculty Forum  
SOHS Professional Development Committee -*Chair*  
SOHS Simulation Lab Committee  
USF Development Committee of the Board  
Radiologic Technology Faculty Council  
Radiologic Technology Academic Advisory Committee
- 2009-2010** Faculty Forum  
SOHS Professional Development Committee -*Chair*  
SOHS Simulation Lab Committee  
USF Development Committee of the Board  
Radiologic Technology Faculty Council  
Radiologic Technology Academic Advisory Committee
- 2008-2009** Faculty Forum  
USF Professional Scholarship Committee -*Secretary*  
Radiologic Technology Faculty Council  
Radiologic Technology Academic Advisory Committee
- 2007-2008** Faculty Forum  
SOHS Professional Development Committee -*Secretary*  
SOHS CAES Committee  
Radiologic Technology Faculty Council  
Radiologic Technology Academic Advisory Committee  
Franciscan Formation

## Service to the Community

- ❖ American Cancer Society
- ❖ Arcola Elementary School
- ❖ Emmanuel Community Church

## Clinical Practice and Leadership

2007-Present	<b>Parkview Hospital</b> , Fort Wayne, Indiana <i>Staff Radiologic Technologist-Temporary PRN</i>
2001-2007	<b>Parkview Hospital</b> , Fort Wayne, Indiana <i>Diagnostic Imaging Shift Coordinator-Full-time</i>
2000-2001	<b>Parkview Hospital</b> , Fort Wayne, Indiana <i>Staff Radiologic Technologist-Full-time</i>

## Scholarship of Discovery

### *Original Research*

2010

- Performed SPSS data analysis on a Volunteer Capacity Survey to be used when creating a template for a SOHS Volunteer Program

### *Original Research*

2009

- Performed SPSS data analysis on Medical Terminology course grades from 2008 and 2009 to determine the best methods for student success in course testing.

## Scholarship of Integration

### *Department of Radiologic Technology*

2012

- Coordinated and acquired continuing education credits for a continuing education seminar offered as an appreciation event for the technologists that work in our affiliated clinical sites. Anyone that attended received 4 ASRT approved continuing education credits. The topics covered during the 4 hours event were: swallow studies, MRSA explained, veterinary radiology, and osteoporosis.

### *SOHS Simulation Development Seminar*

2012

- Presented on the best practices and the current accreditation standards for the creation and evaluation of objectives used for simulated clinical experiences.

### *Department of Radiologic Technology Annual Preceptor Luncheon*

2012

- Presented on 'Maximizing the Clinical Experience' to the clinical preceptor of the program. This included explaining the demographics of our typical students and ways to successfully maximize the clinical experience for both the student and the staff radiographers.

- SOHS Bachelor of Health Science Curriculum Revisions* 2011 – Present
- Serving as coordinator of the BSHS degree and completed the steps necessary to make major revisions to the degree curriculum. This included the process of taking the revisions through academic council and faculty forum. I am currently advising for this degree and working with SOBEL to create a version of this degree that will be offered through the capital education online format and a version that will be offered online on ground through Blackboard.

- SOHS Volunteer Program* 2009-2010
- Creation of SOHS Volunteer Program forms, policies, procedures, handbooks and compilation of research and material for possible future implementation within the School of Health Sciences.

### **Continuing Education**

*Shaken Baby Syndrome Directed Reading*, Journal of ASRT December, 31, 2010

*Gallbladder Disease Directed Reading*, Journal of ASRT December 31, 2010

*Quality Control Testing for Computed Radiography Training*, Lutheran Hospital  
May, 2011

*Thyroid Cancer Directed Reading*, Journal of ASRT February 28, 2011

*Preventing Drug Resistant Infections Directed Reading*, Journal of ASRT  
February 28, 2011

*ADC Applications Training for the Basic User*, Lutheran Hospital February 11, 2011

*The Many Faces of Dementia Directed Reading*, Journal of ASRT December 31, 2011

*Patient Centered Care Directed Reading*, Journal of ASRT December 31, 2011

*Nuclear Imaging in Breast Cancer*, Journal of ASRT February 29, 2012

*Gastroesophageal Reflux Disease Directed Reading*, Journal of ASRT February 29, 2012

*Diagnosis and Treatment of Ankle Fractures Directed Reading*, Journal of ASRT  
June 30, 2012

*Radiation Dose in Computed Tomography Directed Reading*, Journal of ASRT  
June 30, 2012

BUS 551 *Financial Management* Spring, 2010  
University of Saint Francis, Fort Wayne, Indiana

BUS 671 *Healthcare Law* Spring, 2010  
University of Saint Francis, Fort Wayne, Indiana

ACCT 515	<b><i>Managerial Accounting</i></b> University of Saint Francis, Fort Wayne, Indiana	Fall, 2009
BUS 575	<b><i>Quantitative Findings and Decision Support</i></b> University of Saint Francis, Fort Wayne, Indiana	Fall, 2009
BUS 694	<b><i>MHA Internship</i></b> University of Saint Francis, Fort Wayne, Indiana	Fall, 2009-Spring, 2010
BUS 641	<b><i>E-Commerce</i></b> University of Saint Francis, Fort Wayne, Indiana	Summer, 2009
BUS 691	<b><i>Healthcare Policy and Administration</i></b> University of Saint Francis, Fort Wayne, Indiana	Summer, 2009
