Lutheran Hospital Staff Radiologic Technologist Student Apprentice	2000 - 2002
Raytheon Systems Company Manufacturing Project Manager Staff Engineer Senior Electrical Engineer Electrical Engineer	1984 - 1998

Scholarship of Teaching**2013 - 2014** *Courses that I taught or served as a Clinical Course Instructor:*

- RAD 166 Radiographic Procedures I
- RAD 168 Clinical Education I

2012 - 2013 *Courses that I taught or served as a Clinical Course Instructor:*

- RAD 166 Radiographic Procedures I
- RAD 168 Clinical Education I
- RAD 169 Radiographic Procedures II
- RAD 171 Clinical Education II
- RAD 172 Clinical Education III

2009 – 2012 Diagnostic Imaging Clinical Preceptor Parkview Hospital**Program Development**

- Coordinated interdepartmental review and evaluation for program integration of clinical tracking software
- Evaluated trial copy for program integration of Virtual Radiography Software

Developing New Delivery Modes and Technology Integration

- Development and implementation of web-based voice-threads for lecture and anatomy review allowing student access outside of the classroom lecture.
- Incorporated use of student hard copy radiographs for self-annotation and study aids.
- Implemented use of Apple TV, 3D Anatomy apps and screen capture recording of selected lecture and anatomy material for facilitating student learning outside of the classroom lecture.

Scholarship of Application

2002 Clinical Preceptor of the Year – USF Radiologic Technology Program
 2001 American Registry of Radiologic Technologists
 2001 American Society of Radiologic Technologists
 2001 Indiana State Board of Health, Radiologic Technologist License

Scholarship of Service**For the University**

- 2013-2014 SOHS Recruitment Committee Secretary
